Text: Well you get more than what you pay for.At this price you won't find a customizable rgb keyboard you'l Rating: 5

Text: "Well made" with "3 custom profiles" with "per-key lighting" (7 colors to choose from) - This is something

Rating: 4

Text: I like it very much, it's cheap and best keyboard I ever have...go for it if you need budget gaming keybo Rating: 5

Text: Got the brown switch version at 3k.lt's a steal.Pros- price- Good RGB (I usually keep it turned off)- the Rating: 5
